(Department of Civil & Environmental Engineering)

- Field Trips Students must provide their own wet and cold weather clothing and suitable footwear. For the HR Wallingford Summer School students require safety (steel capped) Wellington boots

- Summer Placements There may be travel and accommodation expenses associated with summer placements, which will vary according to the placement.

(Department of Civil & Environmental Engineering)

(Department of Health Sciences)

<p>(Department of Social & Political Sciences)</p>	<p>Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project.</p> <p>The potential additional costs will typically fall within the range of £0 to £2,000 depending on where the research is undertaken</p>
